

The University of Texas Elementary School

Morning Drop Off/Afternoon Pick up Information

Morning Student Drop-Off – Students can be dropped off in the back of UTES (Hidalgo St.) to enter through the cafeteria beginning at 7:20 a.m.

Afternoon Student Pick-Up - Students will be dismissed near the front parking loop (E. 6th St.). Please use your orange transportation card when you are picking up your child/children.

It is important that we maintain the flow of traffic through our drop off loops on Hidalgo St. and E. 6th St. Do not park in fire lanes as this causes issues with bus entering and exiting as well as problems with traffic flow.

Visitors are asked to locate parking on East 6th Street or Robert Martinez.

All visitors/parents must always check in at front office.

**Hidalgo Street (Back of School) – No Left turn into drop off area
No parking in Fire Lane**
