

UT Elementary Visualize Graduation Society Pledge Form

I would like to become a new member of the Visualize Graduation Society!

- DOCTORATE: \$5,000 per year for five years (= \$25,000 or \$416/month)**
A gift at this level could support 20 children in STEAM class for one year. Our science, technology, engineering, art and math class allows a unique space for students to work on projects where they apply technology skills to solve problems.
- MASTERS: \$2,500 per year for five years (= \$12,500 or \$208/month)**
A gift at this level provides 10 students with a year of music classes. The Little Longhorn Orchestra partners with the Butler School of Music and the UT String Project to provide world-class music education to all of our students.
- BACHELORS: \$1,000 per year for five years (= \$5,000 gift or \$83/month)**
A gift at this level could support a student in Spanish class for a year. Learning the basics of a second language at a young age benefits a child's cognitive development and facilitates the learning of any other language later in life.

I would like to be a Friend to the Little Longhorns!

Any one-time gift is welcome and appreciated.
