UT ELEMENTARY SCHOOL

ABOUT UT ELEMENTARY

The University of Texas Elementary School (UT Elementary) was founded in 2003 as the first university-sponsored charter school in the state of Texas.

Located in the heart of East Austin, UT Elementary is operated by The University of Texas at Austin as an open-enrollment campus, free to students, with lottery-based admission. The school:

- Educates 300 students annually in pre-kindergarten through fifth grades;
- Trains UT Austin college students in the areas of education, social work, psychology, speech and language therapy, nursing and other fields;
- Serves as a living laboratory for UT Austin professors and researchers to conduct industry-leading studies and pilot new initiatives.

20TH ANNIVERSARY FROM PRE-K TO PHD AWARDS DINNER

The annual *From Pre-K to PhD* event raises philanthropic support for special “Margin of Excellence” programs. These initiatives enable UT Elementary to provide exceptional learning experiences for students and opportunities for collaboration with students, professors and researchers at the larger university.

The 2024 *From Pre-K to PhD* Awards Dinner will showcase the school’s impact and success over the past twenty years and outline a vision for future greatness.
