

School Safety and Security Committee

Meeting Notes

November 14, 2019

- Creation of a UT Box to house evidence of drills; available to UT, and readily accessible for audits
- On page 9, change to “UT Austin and/or the local”
- Create three-level succession charts for Superintendent and District Emergency Management Coordinator
- Include safety plan synchronization requirement in facility MOUs
- Obtain county Hazard Mitigation Plans for each campus
- Obtain UT System agreements/contract for disaster recovery, response, and prevention
- Redact contact information on Committee roster
- Include plan approval on March Advisory/Management board meetings
- Principals will manage campus safety audits. Include local emergency services officer from the Authority Having Jurisdiction (AHJ)
- Have campus reunification plans ready to discuss at the next meeting
