

UTES School Health Advisory Committee Meeting Agenda April 8th, 2026

1. Welcome
 - A. Call to order
 - B. Welcome and introductions of members and guests
 - C. Approval of agenda
 - D. Approval of minutes from the last meeting

2. Mission
 - A. Current Mission and Goal:
"The mission of the University of Texas Elementary School's School Health Advisory Committee (SHAC) is to ensure all students have healthy minds and bodies through continuous health and physical education programs and good nutrition, teaching them to adopt a healthy lifestyle. The SHAC's goal is to advise the UTES Administration on student and staff health needs, health knowledge and skills, health policies, and the school environment."

3. SMART Goalcheck in:
Ideas:
We will raise money for soccer goals and/or gaga pit for our field and use UT Cowboys and our community to help improve upper elementary sport court and playground.

[Kwik Goal NXT Soccer Goal - 6.5' x 12'](#) \$1399 each

[Alumagoal Portable Carry Soccer Goal](#) \$829 each

[Coach Cliff's Gaga Pit](#) \$412-\$650

Use L3 QR code for fundraising.

Start fundraiser April 13th.

Set date for Run Club fundraiser: April 30th

Need help with printing "flyer" to cardstock, cut, and distribute.

Ask Juiceland or Blenders and Bowls to donate smoothies for run clubbers that date.

4. Fitness Gram Testing and data collection will happen in April and May. Hope to email parents their report or print and send with final report cards.

5. Next meeting is May 13th 2026???
We will determine how to spend the money raised and plan for next year.
